Sir:

This paper is submitted in connection with the concurrently filed Petition to Revive an Application Unintentionally Abandoned (37 C.F.R. § 1.137(b)) for failure to respond or take other action in response to the Advisory Action issued on January 12, 2005. The statutory deadline for placing the application in condition for allowance was April 29, 2005.

In the Advisory Action issued on January 12, 2005, the Office indicated that the response to the Office Action filed by Applicant on December 14, 2004, did not place the application in condition for allowance and that the amendments to the claims would not be entered on appeal

(22645-7085)

on the ground that it raise new issues that require further consideration and/or search, but that it would be entered upon the filing of a Request for Continued Examination (RCE).

In accordance with 37 C.F.R. § 1.137(b), Applicant respectfully request that the Office enter and consider the amendments filed in reply to the Final Office Action on December 14, 2004.

If the Examiner determines that a telephonic interview would advance prosecution of the application, the Examiner is invited to telephone the undersigned at 714-830-0606.

If the Patent Office determines that an extension and/or other relief is required, Applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 50-2518**, referencing 2022645-7002452001 (22645-7085). However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Respectfully submitted,
